RESTAURANTS & CAFÉS

Your working day.
Three moments we can help.

During service

Collect questions and table requests while the team looks after the dining room. Pro also handles calls, transcripts and transfers.

Before the visit

Confirm booking details and send reminders. For groups or events, collect dates, guest numbers and needs before your team takes over.

A reason to return

Reconnect with previous diners, request reviews and prepare follow-ups with messages agreed with your business.

A SPECIALIST NEARBY

Technology behind it. People beside you.

Someone learns how you work, prepares the setup and stays with you after launch. Ask about the support options available in your area.

A launch that fits the way you work.

HOW WE GET STARTED

From first contact to everyday care.

01

Listen

Review the customer journey and choose what to address first.

02

Configure

Agree the channels, information, diary and when your team steps in.

03

Try it

Review conversations and train the people who will use it.

04

Stay close

Keep adjusting messages, follow-up and support with your team.
